## STAFFING

A staffing company is required for any private chef hired to work within our space. One of the follow companies must be used in conjunction with your private chef to handle all front of house items, set up, rental orders and staffing. We do not require a staffing company for any of the above Catering Companies we have on our list. A staffing company is used if a client is interested in bringing in a celebrity chef, for example. **\*\*Please confirm staff ratios to guests on site with Foundry Staff\*\***
